

From The West

Greetings Brethren,

November is almost here which means elections are coming up. Please be sure to come to the November Stated meeting to make your voice heard. At our Past Master's Night, Brother Daniel Kellem was passed to the degree of Fellowcraft and received a good degree. Also, at our last stated meeting, WB Napier was presented with a perfect attendance award for the FMDOA meetings in the past year. I would like to express my thanks to the brethren that took time to make that happen.

If you've been to lodge recently you've seen some nice changes to the exterior of the lodge. We've replaced the mulch with gravel to ease the maintenance and give a much cleaner look. The signs have been replaced and the Lodge and OES have engraved boulders coming to add to the landscape in front. Several other changes have taken place and the whole lodge is looking beautiful. Be sure to thank the brethren of the 193 club who have taken A LOT of time out of their lives to improve our lodge and Watsons gravel for donating the gravel. Also I want to thank

everyone who made a donation to pay for the boulders without dipping into our already tight funds.

Several other important dates have been set for the coming months and year. The installation of officers will likely be on December 8th to avoid conflict with the Harrison Christmas parade. We will also be likely hosts for the F.I.L.L. Program on Wednesday January 16th. The lodge will be providing light refreshments and I would like to invite everyone that wants to work on their lecture to attend. In February, we will also be hosting the FMDOA meeting on Monday the 18th. It starts at 7pm and I would like to see a nice Snow Lodge turnout to welcome the district to our home. The biggest date for us has been set and it is March 2nd which will be our annual inspection. We have the Master Mason degree this year and if we could pull it off, I would like to see a full Snow Lodge Craft team.

WB Steve Moravits has volunteered to manage the bulletin for the coming year. It's a time consuming job and I want to thank him for taking on the challenge.

Hope to see everyone soon.

Fraternally

David P Ludwick Jr.

Other things to know

On November 24th monies will be needed for all jacket orders. Please contact me for size and patch work. The money will go to Michael Sein.

**Election of officers will be held on the
November 24th stated meeting.**
