

## From The West

Greetings Brethren,

Wow, what a good inspection night this year. You should be proud of the work the officers and members of your lodge have completed. I would also like to thank Brother Louis for stepping in and receiving his second Fellow Craft degree in two weeks as our pro-tem. candidate. After a little time off, we resume our labors this month starting May 5th with our stated meeting. Several members of our lodge as well as a few officers will be attending the Grand Master's reception that night, so I would like to invite everyone not

attending the reception to lodge. While I'm sure we'll have enough members to open, but it's always nice to have a few extra faces just in case. On the following Saturday May 12, we will be raising Brother Louis to the sublime degree of Master Mason. Breakfast will be at 8:00am and Lodge will open at 9:00am. Later in the month, we will be assisting the American Legion in placing flags on the headstones of veterans. Anyone that would like to help is welcome. We will be meeting at Glen Haven Cemetery at 9:00am on May 25th.

Fraternally,

David P Ludwick Jr  
Senior Warden

## Other things to know

W.B. Moravits has been asked by several members to place another jacket order. If you missed the first one, here is your chance. Please contact him if you are interested 315-5335. Also, Brother Gardner is heading up a possible fundraising event for us. We would be selling food items at the 4th of July celebration at the community center. Brethren, he can't do it alone. If you can help, please him know ASAP so we can start preparing.
