

From The East

Greetings Brethren,

This past meeting we conferred the Fellow Craft Degree upon Christopher Alexander Lewis. Brother Lewis will also be our pro tem candidate for our upcoming inspection. I would also like to note that Brother Lewis did an excellent job with his Entered Apprentice proficiency. The financial audit, updated bi-laws and budget were presented before lodge and approved by a unanimous vote.

Rite Worshipful Douglas A. Sunnenberg called me the morning of the meeting expressing his concern for the brethren of Snow Lodge in regards to the heavy storms the night before. I informed RWB Sunnenberg that I had not received any information indicating that any member of our Lodge was affected by the storms. If you are

reading this bulletin and suffered in any way from the storm, please contact me at (513) 262-0079.

Our annual inspection is rapidly approaching which means that we have a limited amount of time to practice. WB Gary Beck is holding practices every Wednesday from 7:00 PM to 8:00 PM. I hope for a good turnout at the practices between now and our inspection.

Fraternally Yours,
Bobby Napier
Worshipful Master
